If you currently do not receive communications from management, please follow the steps pictured to change your communications settings. If you are not registered with your email to use to the portal, please contact Lodge Staff.

Step 1: Use the link above to take you to our Homeowner Website. Click “login” on the top right corner.

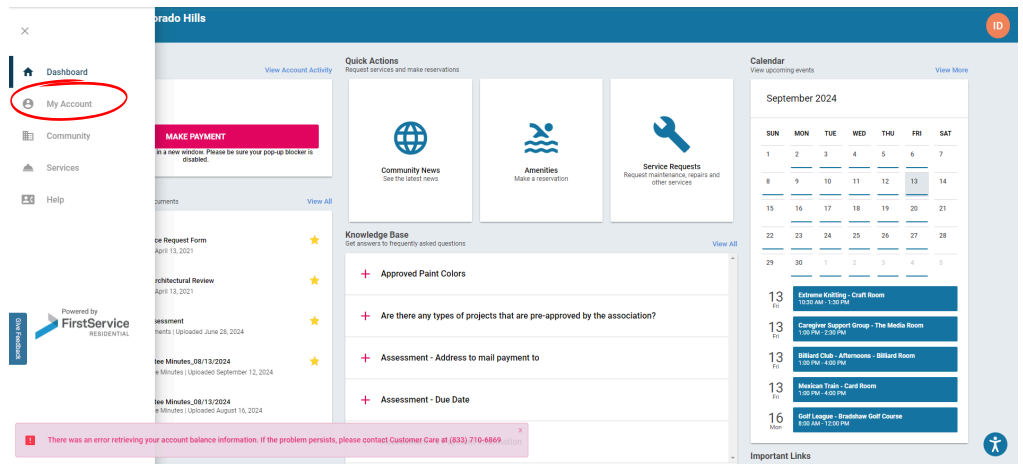

Step 2: Enter your username and password. If you have not registered your account yet, it will prompt you to create a password. If it does not allow you to do so, please contact Lodge Staff so they can make sure your email is correct in the system.

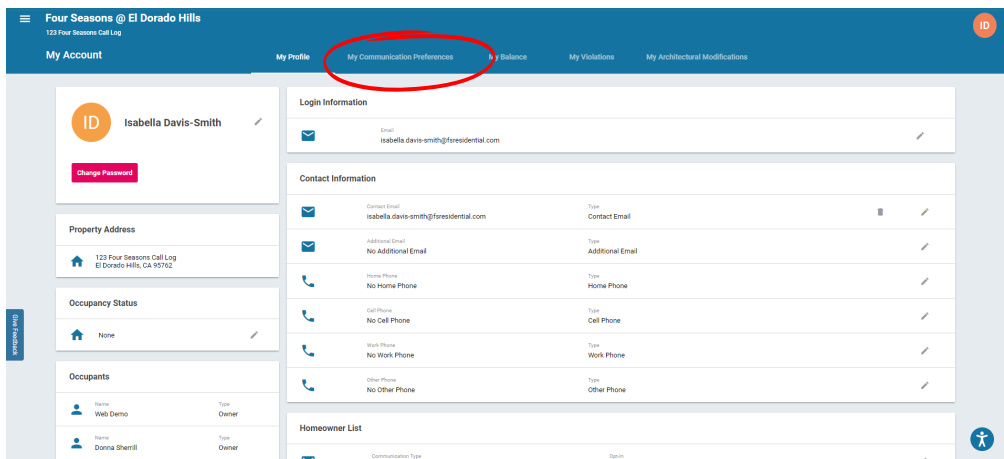

Step 3: In the top left corner, select the menu bar.

Step 4: Select “My Account.”

Step 5: Select the “My Communication Preferences” tab.

Step 6: Select all boxes for which communication categories you would like to receive updates from. After checking these boxes, select the pink “save” button.

Note: Here you can also update the email you would like these communications to go to.
